

The Elms Academy Sixth Form

Exam Success 2024

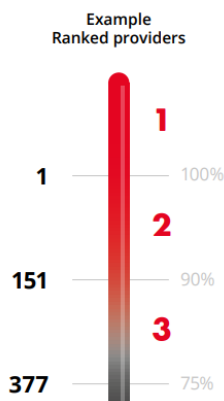

2024 Results

Performance data for all 16-19 providers in England was published last week. We are so proud that our A Level score and BTEC score is the **highest of any state funded academy in Lambeth** for the third consecutive year and in the **top 5 of academies** across Lambeth, Southwark, Wandsworth, Croydon and Merton combined.

The Elms Academy was recently ranked within the 14 best state comprehensive schools in the whole Greater London area by the [Times Parent Power league tables 2025](#).

Our A Level point score also **outperforms 92 other 16 – 19 providers** across Lambeth and neighbouring boroughs (see a section of the league tables on the next pages). This really matters because it means more of our students are achieving the best grades needed to open doors and access competitive places at top **Russell Group universities** and **degree apprenticeships**.

The average progress our students made between their GCSEs and A Levels grades was within **the top 25% of schools nationally** according to the [ALPS benchmark](#), a highly respected marker of performance across the education community.

Matching top 25%+	RED	Alps grades 1 – 3
Matching middle 50%	BLACK	Alps grades 4 – 6
Matching bottom 25%-	BLUE	Alps grades 7 – 9
